

## **Privacy Policy**

**Updated on May 6, 2023**

Thank you for using AI artwork! We respect and protect the personal privacy rights of all users of the service. In order to provide you with better services, this application will use and disclose your personal information in accordance with the provisions of this privacy policy. But this application will treat this information with a high degree of diligence and prudence. Unless otherwise specified in this privacy policy, this application will not disclose or provide this information to third parties without your prior permission.

When you agree to this application service agreement, it is deemed that you have agreed to the entire content of this privacy policy.

### **1、 Information usage**

We will collect the information you proactively provide during the use of the service, as well as the information you generate during the process of using the feature or receiving the service, as follows:

- 1) When you use this software product service, we will obtain your consent and obtain your stored information for users to generate renderings/videos and save them to an album. Users can select images from the album to generate special effects/videos. You can choose to turn off the authorization for storing information, but after turning it off, you will not be able to use the relevant functions.
- 2) When you choose to use the camera function, we will obtain your consent and obtain your camera information for users to take photos and upload them to generate special effects images/videos. Denying authorization will only prevent you from using the shooting function, but it will not affect your normal use of other services provided by the software.
- 3) In order to identify your device ID and ensure the normal use of the operator's traffic free service, ensure your normal use of our services, maintain the normal operation of our services,

improve and optimize your service experience, and ensure the security of your account, we will collect information such as your device ID, hardware parameters, system version, network status and records, and system logs.

4) We or our third-party partners may collect your information, including your device information and click information, through cookies or similar technologies, and store this information as log information for remembering your identity and analyzing your use of our services.

## **2、 Information disclosure**

In the following circumstances, this application will disclose all or part of your personal information according to your personal wishes or legal regulations:

- 1) Disclosure to third parties with your prior consent;
- 2) To provide the products and services you require, it is necessary to share your personal information with third parties;
- 3) Disclosure to third parties or administrative or judicial institutions in accordance with relevant laws or requirements of administrative or judicial institutions;
- 4) If you violate relevant Chinese laws, regulations, or this application service agreement or related rules, you need to disclose them to a third party
- 5) If you are a qualified intellectual property complainant and have filed a complaint, you should disclose it to the respondent at their request in order for both parties to resolve potential rights disputes;
- 6) In a transaction created on this application platform, if either party fulfills or partially fulfills the transaction obligations and requests information disclosure, this application has the right to decide to provide necessary information such as the contact information of the counterparty to the transaction to the user, in order to facilitate the completion of the transaction or the resolution of disputes.
- 7) Other disclosures deemed appropriate by this application in accordance with laws, regulations,

or website policies.

### **3、 Information storage**

1) Storage location: Your personal information is stored within the territory of the People's Republic of China and will not be provided to any third party or individual outside the country.

2) Storage period: We will keep your personal information for the shortest period necessary to meet the purpose of providing you with products and services, in order to provide you with this function normally and ensure the security of your account and system. In addition, we may keep your relevant information for the necessary period specified by relevant laws.

3) After the above storage period is exceeded, we will delete or anonymize your personal information.

### **4、 Information security**

We are committed to ensuring the security of your personal information. To prevent unauthorized access, disclosure, or other similar risks, we have established reasonable physical, electronic, and management procedures to protect the information we collect from you using our services on the platform. We will make every reasonable effort to protect your personal information.

We review our strategy and update it as needed to meet our business needs, technological changes, and regulatory requirements. These measures include but are not limited to technical and organizational security policies and procedures, security controls, and employee training.

If we discover any violations that affect the security of your personal information, we will notify you in accordance with applicable laws.

### **5、 How users manage information**

Turn off or revoke authorization: You can change the authorization scope or revoke your authorization in the device's operating system 'Settings ->Applications ->Permissions'.

Privacy Policy View: You can view the content of this privacy policy in the app 'My ->Privacy Policy'.

## **6、 Intellectual property related**

We are the intellectual property rights holders of this software. All intellectual property rights such as copyright, trademark, patent, trade secrets, and all information related to this software (including but not limited to text, images, audio, video, charts, interface design, layout framework, relevant data or electronic documents, etc.) are protected by the laws and regulations of the People's Republic of China and corresponding international treaties. We enjoy the aforementioned intellectual property rights.

Without our written consent, you are not allowed to implement, utilize, or transfer the aforementioned intellectual property rights for any commercial or non commercial purposes on your own or with the permission of any third party. We reserve the right to pursue legal responsibility for the aforementioned actions.
